Thomas K. Glenn Dies At 78; Civic Leader

Thomas K. Glenn, 78, one of the great industrial builders of the South and a leader in the development of Atlanta as a medical center, died yesterday at the Biltmore Apartments. He had been seriously ill for a week.

Funeral services will be held at 11 a. m. today in the Glenn Memorial Church, with the Rev. Edward G. Mackey and Dr. Nat G. Long officiating. Burial will be in West View Cemetery.

Pallbearers will include Frank Wilson, William D. Thomson, John A. Sibley, Hughes Spalding, C. F. Stone, Fred W. Beasley, George Woodruff and Fletcher Rodgers. Honorary pallbearers will be members of the Board of Stewards of the Glenn Memorial Church.

THOMAS K. GLENN
Civic Leader Dies.

He had retired four months ago from his position as Board Chairman of the Trust Company of Georgia, to become Honorary Chairman. Associated with that Company since 1902, Mr. Glenn was first a Director, then President of the company, and finally Chairman of the Board. He also was Chairman of the Board of the Atlantic Steel Company, a Director of the Coca-Cola Company, Continental Gin Company and the Atlantic Company.

Mr. Glenn's conspicuous success in finance, and his genius for developing Southern corporations from unimpressive beginnings to distinguished attainments was matched by his civic interest in Atlanta and the well being of its people.

COMMUNITY SERVICE

His last great service to the community was the Chairmanship of the Hospital Authority of Fulton and DeKalb County, which he conceived and organized to provide broader and more uniform services for the sick and needy of Greater Atlanta. He had worked for years in the interests of Grady Hospital.

The L. H. Beck Foundation, Crawford W. Long Memorial Hospital, Reinhardt College and Rabun Gap-Nacoochee School, which he served as a trustee, were among other humanitarian institutions to which he devoted time and effort.

Mr. Glenn also had been President of the Board of Trustees of the Scottish Rite Hospital for Crippled Children, and Trustee of the Jesse Parker Williams Hospital, LaGrange College and Emory University, which will suspend all academic activities at 10 a. m. for today.

BORN IN MISSISSIPPI

The Atlanta financier was born in Vernon, Miss., the son of the Rev. Wilbur Fisk and Florella Harper Glenn, but he spent his youth in Cave Spring and Marietta. Glenn Memorial Methodist Church was built in honor of his father, a Methodist minister, and the younger Glenn was a lifetime member of the Church he served for years as Steward.

Mr. Glenn began his business career at 19 when he became connected with the Maddox-Rucker Banking Company. Four years later he joined the Atlanta Consolidated Street Railway Company as secretary to the late Joel Hurt, Atlanta business pioneer.

Mr. Hurt made a lasting impression on young Mr. Glenn. Under Mr. Hurt's guidance, he became Vice President of the Georgia Railway & Electric Company, which later became a segment of the Georgia Power Company, and branched out from there to the Presidency of Atlantic Steel, and later to the Presidency of the Trust Company of Georgia.

Speaking at the dedication of Joel Hurt Park with its fountain of rainbow spray, Mr. Glenn, as Chairman of the Emily and Ernest Woodruff Foundation which presented the fountain to the city, said:

"It happens often in one's life that some fortunate circumstance causes him to be thrown in surroundings which have a lasting influence upon his future work. I never shall forget the day in May, 1891, when riding in on an Edgewood Avenue streetcar, Mr. Joel Hurt asked me to come and work for him.

"I have never ceased to admire and try to emulate the energy, ingenuity and enterprise of this great man. What little I have done or have been has been due in a

U. S. Again Warns Reds On Straits

WASHINGTON, Oct. 11—(AP)—The United States Friday firmly restated its opposition to Soviet bases in the Dardanelles and warned Russia that this country does not intend to be shouldered out of the negotiations over the vital Straits.

The American position was set forth in a note delivered in Moscow by Ambassador Walter Bedell Smith. The note was dated Oct. 9 but released only Friday by the State Department.

From Istanbul, meanwhile, came dispatches predicting that Turkey, assured of continued American and British opposition to Russia's main demand, might agree to a Soviet request for indirect Ankara-Moscow talks.

Some diplomats here expressed the hope that if such talks were held they would promote Russian-Turkish understanding and ease tension. But American officials made it clear that the talks should be, in their opinion, very limited. They felt that the only way to make progress toward a Dardanelles settlement is to hold an International conference.

Britain sent a note to Turkey several days ago. Persons familiar with it said it also supported Turkey in opposition to any Russian military expansion into the Straits.

The United States' newest communication, which was circulated Thursday among the signers of the 1936 Montreux Treaty governing the Dardanelles made these main points:

1. Declared that when the United States, Russia and Britain agreed at Potsdam to propose changes in the Montreaux Treaty they recognized each other's interests in the Straits and no one of them has a right to cut the others out.

2. Favored greater rights for Soviet ships in the waterway, but opposed joint control by the so-called Black Sea powers, chiefly Russia and Turkey.

3. Reaffirmed that Turkey should be primarily responsible for defending the Straits, but in case they were threatened with attack "the resulting situation would be a matter for action on the part of the Security Council of the United Nations."

After advising the Russians that no one of the Big Three should try to deal the others out, the note declared.

"On the contrary, my government considers that the Potsdam agreement definitely contemplated only an exchange of views with the Turkish government as a useful preliminary to a conference of all of the interested powers, including the United States, to consider the revision of the Montreux Convention."

As to present relations between Russia and Turkey, informants here said they knew of no extreme tensions nor any evidence that Russia might take an aggressive move.

On the other hand, these informants said the Turks seem to be hoping earnestly for a satisfactory agreement of Russian military domination of the area.

BRUIN BITES THE DUST—After a long chase through the North Georgia mountains, this 305-pound black bear was cornered in the woods of a farm about a mile north of Roswell early yesterday and killed by Hubert Hughes and Cecil Allen, farmers. They used a .22 caliber rifle and shotgun. The bear was discovered in the yard of George Coleman above Roswell. It took three rifle shots and a shotgun blast to fell Bruin.

Drafting Held Up For Rest of Year

WASHINGTON, Oct. 11 — (UP) — The Army Friday ordered all Selective Service inductions halted for the rest of 1946, beginning Oct. 15. The suspension was ordered because of the unexpectedly high rate of Army enlistments, which War Department spokesmen said is expected to continue for the rest of this year.

Local Draft Boards were instructed not to forward anyone for induction or pre-induction physical examination after Oct. 15, although those called to report on Oct. 15 must do so.

Maj. Gen. W. S. Paul, War Department Personnel Director, announced the order in a letter issued to local Selective Service directors.

"The call for the current month is hereby cancelled, effective 15 October, 1946," Paul wrote. "The call for November is hereby cancelled. There will be no call for the month of December."

Official War Department figures announced earlier this week showed that voluntary enlistments for the 12 months ended Oct. 6 reached an all-time high of 992,648.

For the year through Nov. 1, it was expected that enlistments would top the 1,000,000 mark, the announced goal of the current recruiting drive.

The Army said it anticipated that the last inductees to be drafted in 1946 will have been processed within the next week.

The suspension will affect about 35,000 men who had been earmarked for calls in October and November, including about 20,000 who would have been called up in the last half of October and 15,000 in November.

The Army said it is reserving the right to resume calls if they are needed to maintain Army strength.

Earlier, the War Department had estimated it would need 40,000 new recruits a month to meet its manpower requirements.

Of the 992,648 volunteers obtained in the past year, 298,517 enlisted from civilian life and the rest were re-enlistments.

Pennsylvania topped the list with 58,849 volunteers, followed by Texas with 54,217 and New York with 52,759.

Meanwhile, the Army Surgeon General's office lowered the separation requirements for Army Medical officers in certain categories, effective Nov. 1.

Dental officers will be discharged upon completion of 24 months' service instead of 30 months. Veterinary Corps, Sanitary Corps and Medical administrative Corps officers formerly required to serve 36 months may now be released after 32 months.

Army Nurse Corps requirements for nurses in category five were dropped to 14 months. This class is composed of nurses who have requested relief from active duty at the earliest possible time.

Newsprint Ceiling Upped $10

WASHINGTON, Oct. 11—(AP)—OPA Friday raised manufacturers' ceiling prices for newsprint $10 a ton but refused a decontrol request by newspaper publishers.

The Agency said the decontrol request was still under study, but the price increase was granted "to assure that United States publishers will continue to receive maximum possible shipments of newsprint."

The increase, effective at once, applies to all newsprint sold for use in the United States, both domestic and imported.

OPA said the new ceiling for standard newsprint delivered to 38 "port" cities will be $84 a ton. Ceilings for deliveries in 10 zones are specified in line with trade practices.

The Agency said the prices were boosted "to prevent a possible diversion to other markets of foreign newsprint now being shipped to the United States and to check any tendency on the part of domestic producers to divert newsprint production to other more profitable lines of paper."

The last increase in newsprint was $7 a ton on Aug. 22.

N. Fulton Gridman Critically Hurt

Joseph "Buddy" Cogburn, 18, left halfback on the North Fulton High School football eleven, was admitted to Grady Hospital late last night, unconscious, and believed to be suffering from a skull and spinal injury.

The youth, son of Mr. and Mrs. J. N. Cogburn, of 183 Lindberg Dr., received his injury while tackling a Decatur High School player in the North Fulton-Decatur football game played at North Fulton.

Coaches and teammates took the injured player to the sidelines, and when he failed to rally after first aid measures, an ambulance was called and took him to Grady Hospital. Physicians, following a preliminary examination, expressed the opinion the youth's condition was extremely critical.

$1,480,000 Forgetfulness

MILAN, Italy, Oct. 11—(UP)—King Farouk, of Egypt, Friday forgot $1,480,000 in British pound sterling in his hotel room here.

Returning from Switzerland to Egypt, Farouk stayed overnight in Milan incognito. Just before his plane took off a hotel porter rushed up with a leather bag containing the money the King had left behind.

Five Killed As Fire Sweeps Ship at Sea

NEW YORK, Oct. 11—(UP)—A raging fire swept the Swedish freighter Kristina Thorden Friday as she steamed westward through storm-tossed seas across the Atlantic and Friday night five of those aboard were known to have been killed and at least four seriously injured.

One of the dead is believed to be an American, dispatches from Stockhold said.

Three other ships were on the scene, 925 miles west of the Norwegian coast, but their attempts to evacuate the injured and the remaining passengers were hampered by a terrific storm which lashed up high seas.

The fire at sea—horror of all sea-faring men—raged furiously amidships and latest reports from the Kristina and the rescue ships to Stockholm did not indicate whether it had been brought under control.

Two of the dead were identified by Stockholm as Joergen Erickson, 23, and Paul Kemppainen, 27, both Finnish students.

Three of the injured were identified. They were Swedes, Sten Scholander and Erik Killander, and the ship's steward, a Finn, Erik Lundquist.

Those three were seriously injured attempting to bring the fire under control.

The first SOS which said only, "We burning," was picked up at a radio station in the Swedish West Coast town of Uddevalla early Friday.

Later messages said the crew almost succeeded in controlling the fire in the first few hours after it broke out but that it flared up again Friday afternoon, spreading from the hold toward the engine-room, the lifeboats and the radio cabin.

The radio cabin apparently was enveloped by flames because the Kristine broke off contact with the nearby ships in the afternoon.

The Kristina Thorden, owned by the Thorden Lines, a Swedish Company, left Goteborg, Oct. 4 and had been scheduled to dock at Boston about Oct. 15, the lines' office here said.

The Swedish Embassy in Washington said the Kristina Thorden was a relatively new cargo-passenger ship. It had received no details of the fire.

While the Thorden Lines' office here said the Kristina had a dead weight tonnage of 5,900, Lloyd's registry describes the vessel as of 3,889 tons, and 365 feet long. The ship was built in Sweden in 1941 and is distinguished from other ships of its kind by a cruiser stern, Lloyd's added.

'Vinegar Joe' Near Death, Wins Medal

SAN FRANCISCO, Oct. 11—(UP)—Gen. Stilwell, hero of the Burma Campaign and Okinawa, fought for his life at Letterman General Hospital Friday, but was reported "growing steadily weaker."

Secretary of War Joseph Patterson directed in a personal phone call from Washington that the Combat Infantryman's badge be presented to Gen. Stilwell by Sixth Army Headquarters. The badge is one of the few medals not yet awarded to "Vinegar Joe," and has long been coveted by him.

Suffering from the after-effects of a major abdominal operation, the 63-year-old general spent only a "fair" night, hospital officials said.

An early bulletin said he was "weaker." His physicians changed the wording of a later bulletin to "growing steadily weaker."

Stilwell entered the hospital for a physical checkup Sept. 28 and underwent the operation Oct. 3. He was progressing satisfactorily until Tuesday night when his condition took a sudden turn for the worse.

Doctors Report Hull Out of Danger

WASHINGTON, Oct. 11—(AP)—Cordell Hull, who was gravely ill 10 days ago, Friday appeared to be "out of any immediate danger," his doctors reported.

The 75-year-old former Secretary of State suffered a stroke on September 30.

A bulletin from the Naval Hospital, where he is undergoing treatment, said:

"Mr. Hull continues his gradual improvement and has been comfortable during the day."

An earlier bulletin had noted that "he appears to be out of any immediate danger."

Colder Weather Due Today, You Grid Fans

Cloudy this morning and clearing somewhat to a cold afternoon, the weather should be of ideal temperature to football fans, the weatherman predicts, though skies are not expected to be clear until tomorrow. The cold wave scheduled for yesterday afternoon was delayed en route, and is expected today.

High and low temperatures for today are expected to be 64 and 46 degrees and tomorrow is slated for a high of 70 degrees.

Truman Studies Action To End U. S. Meat Crisis

WASHINGTON, Oct. 11 — (UP) — President Truman took the meat crisis into his own hands Friday and will give the American people his answer to the No. 1 home-front problem in a nation-wide radio broadcast within a few days.

The exact date of his radio report has not been decided, since Mr. Truman has not yet made up his mind on the best means of handling what has become the hottest political issue of the year.

With less than four weeks remaining before the November elections that will decide Democratic or Republican control of the next Congress, Mr. Truman has little time left to decide how to get meat back on the market.

He held a 90-minute conference with Cabinet officers—one of the longest sessions since he took office—that produced a number of recommendations, but no final answer. Cabinet members refused to discuss the meeting except to say the decision had been left to Mr. Truman.

The President retreated from his original statement opposing decontrol of meat, but this does not mean that he will not change his mind. His had given no assurance to either side whether he will decide upon a free market or continued price control.

The best opinion Friday night was that he still believed controls should be retained; that decontrol would add to the seriousness of the meat famine.

Secretary of Agriculture Clinton P. Anderson, marking time until the President acts, deferred action on a petition by the beef industry for the removal of all meat price controls. He said he might have something to say tomorrow.

The President's top speech-writing aides, including Special

Ruling by Cook Forecast Against Mankin Ouster

By JOHN COURIC

Atty. Gen. Eugene Cook late today will tell Sec. of State Ben W. Fortson he cannot remove Rep. Helen Douglas Mankin's name as a Democratic nominee from the General Election ballot despite orders from the State Democratic Convention, political observers predicted last night.

The Attorney General's ruling will govern Fortson's decision as to whether Judge James C. Davis shall be listed as the only Democratic nominee for the Fifth District Congressional post or whether the ballot shall be carried in the General Election with two Democratic candidates for this office, as first certified by the party.

Observers said the case hinges on whether the Soldiers' Ballot Act is still in existence despite the cessation of hostilities. Earlier this year, Cook ruled that a state of war still exists and the Soldier Ballot Act is still valid. For this reason the Democratic Primary was held earlier than is customary.

Under the Soldiers' Ballot Act, the names of nominees must be certified to the Secretary of State 90 days before the General Election. Another Georgia law declares that they must be certified 30 days before the General Election. In either case, observers pointed out, new nominees offered by the State Convention are of dubious legality since they were not made even 30 days before the General Election.

Although Fortson declined to comment on the controversy until after Cook's decision, his action in requesting an opinion from the Attorney General made it apparent he intends to govern his conduct first by State law and second by party mandate.

Besides affecting the Mankin-Davis controversy, the ruling also will decide whether Columbus Alexander can be listed as Democratic nominee for the post of Solicitor General of the Eastern Judicial Circuit composed of Chatham County. Alexander was nominated at the Convention to replace A Samuel Cann, resigned. Andrew J. Ryan, Jr., present Solicitor General who was appointed to the vacancy by Gov. Arnall, has brought suit to block this nomination. The case was scheduled for Fulton Superior Court yesterday but was postponed.

Hearing Is Set For Yearwood

Ex-Sailor William Henry Yearwood will be given a clemency hearing Thursday in his efforts to escape an electric chair sentence the courts gave him for the hitchhike killing of Harry W. Williamson, Atlanta, representative of a publishing house.

Yearwood, from Bishop, Ga., was convicted of murdering Williamson last November after he had caught a ride with the publishing house traveling representative. Yearwood is scheduled to die in the electric chair at Tattnall State Prison Oct. 22.

Committee Picks Coroner Choice, Rejects Negro's Withdrawal Offer

By DUPONT WRIGHT

In an effort to insure the election of a white man as Coroner of Fulton County on Nov. 5, the County Democratic Executive Committee yesterday set a precedent by selecting Commissioner Ed L. Almand out of a field of 23 to carry the banner of white supremacy and the Democratic Party.

An uninvited guest, A. S. Scott, Negro who announced for Coroner, almost stole the show both at yesterday's caucus of white candidates and at a later session of the Executive Committee. Belief of party leaders that the County's approximately 20,000 registered Negro voters might go in a block for Scott brought about the situation which led to the Committee's unprecedented action in nominating a candidate without the formality of a primary.

Asked at the caucus if he would withdraw, Scott refused to commit himself, but disavowed any thought of securing the Negro bloc. He said he had supported Talmadge for Governor.

At the caucus, several candidates suggested putting the names of the candidates in a hat and letting the one drawn out be the choice. Others objected on the ground that they had already spent large sums of money on advertising for the campaign.

After the caucus, Candidate Clarence J. Thompson and several others talked with Scott and induced him to agree to withdraw in the interest of race relations if the Executive Committee should request him to do so. Thompson then took Scott to the Committee's meeting on the other side of the building.

Scott then addressed the meeting and wrote a note of withdrawal to Ordinary Eugene Gunby. It was the first time in the memory of committee members that a Negro candidate had addressed the body. The Committee voted to accept Scott's withdrawal, but rescinded its action on the advice of lawyers who were asked for an opinion. The lawyers advised against temporizing and pointed out that even if Scott withdrew another Negro might qualify before the noon deadline today.

The Committee then decided to proceed with its plan to nominate a candidate. Six men were placed in nomination, as follows:

Almand, George Kirkland, Dr. Robert K. Glass, Maj. W. E. Spence, Herman C. McCall and L. W. Flowers. After the first ballot, on which no one received a majority, McCall withdrew. Almand was nominated on the fourth ballot, receiving 20 of the 39 votes cast. Spence received 12 votes and Kirkland seven.

As the Executive Committee meeting began, several candidates, including White, Thompson and George B. Rakestraw, objected to the proceedings as undemocratic. Others indicated that they might go to court to prevent Almand's nomination or that they might run as independents.

State Capitol Closes For Columbus Day

The State Capitol offices will be closed today in observance of Columbus Day, but the City Hall will remain open during the usual hours. Banks will be closed all day while liquor stores will be open.

'DOUBLE-DEALING' DATE

Former Fiancee Helps To Trap Vet Arrested In $725,880 Theft

CHICAGO, Oct. 11—(UP)—A handsome 22-year-old war hero, led into a trap by a girl who had spurned his love, was seized here Friday night and confessed the theft of $725,880 in negotiable money orders and cash from the American Express Company office at Miami, Fla.

The loot, most of which was recovered in the youth's hotel room and a railroad station locker, included nearly $25,000 in cash and $697,000 in express money orders which are negotiable anywhere in the world.

The youth, Elmer S. Hurt, who had been employed by the Express Company at its Miami office, was arrested at Michigan Boulevard and Monroe Street in downtown Chicago when he kept a date with the girl, who was acting under instructions of police.

Police Lt. John Murphy said Hurt, a Navy veteran who won the Bronze Star for action in the Pacific, had been employed by the Express Company at Miami and had operated a newsstand and cigar counter on the side. Hurt said he ran into financial difficulties.

He fled from Miami Sept. 27, according to his statement to Murphy, and purchased an automobile. He left the car at Fort Lauderdale and decided to come to Chicago to try once more to persuade the girl to marry him.

He said he had met the girl, who was not identified by police, while stationed in Chicago with the Navy and became engaged. She returned his engagement ring before he left the city.

Bonding company investigators traced him to Chicago and asked Chicago police to keep a watch for him at the girl's home.

Yesterday, Hurt telephone the girl and arranged to meet her on the street. Detectives were waiting when he walked up to her Friday night.

He was dressed in a smart pinstripe suit and carried a corsage.

"Hello," he said to her.

The detectives seized him immediately. They found he also carried an engagement ring and a bracelet for the girl and $3,000 in a money belt.

They found about $25,000 in cash in a suitcase in the second-rate hotel where he had been living, and the $300,000 in money orders in a public locker at the Grand Central Railroad Station.

After a hurried check of the cash police estimated that the youth was about $1,500 short.

Police Lt. Murphy said the youth talked freely of the embezzlement and had expressed willingness to return to Miami to "face the music."

He said Hurt had told him that after obtaining the money he decided he could impress the girl with his wealth and perhaps persuade her to marry him and settle down.

After arriving here, Hurt registered at the hotel under the name of Floyd S. Bond. However, he used his real name in contacting the girl.

Thomas K. Glenn

Tom Glenn is dead and a great deal of sweetness, gentleness and strength died with him.

The plaques which will bear his name in the medical center being developed here will speak of him as Thomas Kearney Glenn. The plaques will tell how he, almost single-handedly, toiled through a decade of time to make others see his vision of a hospital capable of serving a great metropolitan area.

It will be a good story and thousands will bless his name. But the best story of all will never get into the plaques or in marble, because it can't. That is the story of Tom Glenn, the patient, mild little man with the stubborn strength of steel. He used neither rapier nor club, but he stormed great citadels of political greed and he met ignorance and prejudice and defeated them all.

In times of great stress he was calm and assured. He was oil on troubled waters. He was a great rock in a weary land. There is just no telling how many rested and were refreshed in his shade. He had burdens, but he bore them without complaint.

He might have been selected as a living example of the American tradition. He was as American as homespun cloth; as American as the coonskin cap and the split-bottom chair. He liked people and dogs and horses. And he liked, too, the land. He was always happiest when he could get away from routine work and out into the air and the "country."

Son of a Methodist minister, he started to work at $40 a month as a stenographer and went on to demonstrate financial and business genius. He was a success. Yet, when one comes to total up all that he has done, one finds that his hardest and most successful work was in the field of public welfare and health. The hospital authority, which will build a great city hospital as part of a medical center development revolving about Emory Medical School is a monument greater and more durable than any the Pharaohs or conquering emperors were able to raise.

Through the years to come human life in our region will be better served because of the patient, indefatigable man who always saw his duty and did it, and who now, at the age of 78, has gone on to the other side of the eternal mountains.

Profitable Cotton at Eight Cents a Pound

An experiment has been underway in Montgomery County, Alabama, which affords encouragement to those of us who have feared Southern cotton would be driven from the market by synthetic fibres.

Price McLemore, realizing that American cotton prices must come down if it is to compete on the world market as well as meet the threat provided by synthetics domestically, has just ginned what probably is the first bale of 100 percent mechanically produced cotton ever grown in the South.

From preparing the land to taking the finished bale home from the gin, only one man was employed. All work was done by machine.

McLemore, who kept accurate account of all costs entering into the operation, says the bale was produced at a cost of eight cents per pound. He figures it took 8.53 man-hours of labor per acre, compared with estimates of 235 man-hours for conventional methods.

Complete mechanization is, of course, out of the question for the average farmer at present.

But it is good to know that it can be done. And more and more farmers will be following, in at least some degree, the example which McLemore has set.

Honoring Senator George

Approximately 400 Georgians will gather at the State Future Farmers' Camp near Covington today to pay tribute to Sen. Walter F. George for his continuing efforts in behalf of vocational education. No man on the current scene has worked as tirelessly and intelligently for vocational education as has the senior Senator from Georgia. Four bills, each increasing Federal appropriations and facilitating expansion of vocational programs, have been steered through Congress as a result of his influence and leadership. Today's testimonial luncheon will feature an address by C. L. Grieber, of Madison, Wis., President of the American Vocational Association, as well as tributes by State political and educational leaders. It will be long-overdue recognition of the role which this splendid Georgian has played in the growth of this excellent work. The Constitution congratulates both Sen. George and those who had the idea of thus expressing appreciation of his worth.

Georgia Defeats Kentucky, 28 to 13

Wildcats Score First On Soggy Gridiron

By F. M. WILLIAMS
Constitution Sports Writer

SANFORD STADIUM, Athens, Oct. 11—Kentucky's Wildcats have none but themselves to blame for their first defeat under new Coach Paul (Bear) Bryant. They lost it here tonight, 28 to 13, to the Georgia Bulldogs.

The Wildcats came out on this water-soaked gridiron to live up to their nickname and they scratched the Bulldogs just a little bit too hard and just a little bit too early, awakening the Wallace Butts-coched elevn with an electrifying 67-yard touchdown drive in the first two and a half minutes and then being forced to take a trimming for the rest of the time in a game marred by frequent fumbles and pass interceptions.

In the end, the Bulldogs were the better team, but what would have happened if Coach Bryan's charges had waited just a little while to deliver their pet punch will never be known. Had it not happened so early, the Georgians might never have recovered in time to do a thing about the situation.

Capt. Charley Trippi, turning in one of his best games, delivered the run that set the stage for the tying touchdown and in the last period, reeled off a 68-yard jaunt to pull the bacon out of the fire and turn the screws on the Kentucky Ice House.

Trippi wasn't by far the top performer for the battling Bulldogs, for that honor belongs to an unheralded, hard-working end named Joe Tereshinski, whose work defensively was superb and who came up in that all important first touchdown drive with a catch of a bullet pass from Johnny Rauch to put the ball on the Kentucky nine yard line.

It was, I think, the finest game Tereshinski has ever played and the best example of how the end position should be handled that has been put on in Sanford Stadium in years.

Not even George Poschner or Catfish Smith ever surpassed it. The Bulldogs got the breaks to win this game, their third straight. But the Wildcats brought about their own undoing with rule violations in the clutch stages.

Coach Butts' club pulled a rarity in winning the toss and electting to kick off. Generally they prefer to start on the offense. But tonight, with the field soaked by a two-hour downpour of rain, they decided to do otherwise.

It was a decision that probably won the game for them, although it cost them a touchdown so quickly not even half the folks on hand saw it.

Phil Cutchin, a great performer for Kentucky, hauled the opening kick from his own eight to the 33 and then in seven plays went over for a touchdown, with Cutchin traveling the last four yards and adding the extra point from placement.

Georgia had their first look at a peculiar defense concocted by Bryant, consisting of a line from seven to eight men and a secondary that sometimes had one man in the middle right back of the line of scrimmage and three in a row, eight to 10 yards deep.

It was confusing and it worked. If Trippi hadn't been around, it might have been good enough for the Wildcats to win.

The Bulldogs couldn't gain after the kickoff and when Wallace Jones broke through to block Trippi's kick and give the Wildcats the ball at the Georgia 45, it looked bad. The Cats drove straight down the field for a first down at the 25 and then Tereshinski came in to stop four straight plays and set the stage for the game-tying drive.

After losing 10 yards on an attempted pass, Trippi cut off right tackle for 43 yards and a first down at the Wildcat 30. Rauch shot the important pass to Tereshinski that put the ball at the nine and there the Wildcats rose up to stop things.

They had the ball after four downs except they were caught holding, defensively, on fourth down and that automatically gave the Bulldogs a first down. They capitalized on the break to go sixteen yards for a touchdown, with Trippi passing to Donaldson for all but one half a yard of the distance and then slashing off right tckle for the score.

George Jernigan knotted the count with a perfect placement, his first of four for the night, bringing his record for the season to 13 in a row.

The alert Rauch, who some experts have called the best T-formation quarterback in the business, put Georgia out front midway the second quarter by taking a fumble in midair at the Kentucky 35 and racing over. Cutchin committed the fumble but it was legitimate because Jack Bush and Dan Edwards almost committed mayhem on him as he tried to rush off his own left tackle.

The Bulldogs made things comparatively safe for themselves in the third period, with a 70-yard march in eight plays, with a Rauch-to-Weyman Sellers pass supplying most of the gain.

Rauch scored from the six-inch line on fourth down.

The Cats fought back stubbornly and got back in the ball game briefly on a 60-yard drive that ended with Carl Genito passing to Dick Hensley. A fine end, for the final 30 yards. Cutchin's kick was wide.

It was after that when Captain Trippi pulled his longest run and the longest of the night.

After Rauch had brought the kickoff back to the Bulldog 28, Trippi picked up four at tackle. Then Rauch threw a lateral that Trippi scooped out of the dirt and with Eli Maricich, who fumbled twice to get the Bulldogs in trouble, eliminating two blockers at the line of scrimmage, raced all the way to pay dirt without a hand upon him.

Not listed in the scoring but probably as good a back as was on the field was Georgia's "Rabbit" Smith, who played sparingly but got the Bulldogs out of two or three holes with terrific runs.

Hornets Kick Marietta by 13-6 Score

By MERRELL MOORE

Roy Brewer's Hapeville Hornets defeated a hard-fighting Marietta eleven at College Park last night, 13-6.

Paula and Mote stood out in the Hapeville backfield while Bush played an outstanding game in the line. Bush proved his worth as he crashed the Marietta line early in the first period to set up a touchdown.

Dupree and Coyle were best in the Blue Devils line while Billy Johnson and Carter were outstanding in the backfield.

Bush cracked the Marietta line to block Keathley's punt, Billy Hayes grabbed the ball and raced 20 yards for a touchdown. Paula kicked the extra point and the Hornets led, 7-0.

Midway the first period, Davis intercepted a pass at the Marietta 32. After two plays Paula aerialed to Knox at the seven and repeated to the one-foot line. Paula went over for the touchdown. Hapeville led 13-0, at halftime.

The Blue Devils took the second half kickoff and marched 80 yards to pay dirt. Garner, on his 10-yard line, raced 58 yards to the Hapeville 32. Garner then tossed a pass to Johnson at the 15, Johnson circled end for nine yards. Barrows moved the ball to the three and then smashed tackle to score.

W. Fulton Pops LaGrange, 33-7

By JOHN SIMONTON

LAGRANGE, Oct. 11—Led by leading NGIC scorer, Herbert Hitchcock, who accounted for four touchdowns, the West Fulton Owls smashed previously unbeaten LaGrange, 33-7, here tonight.

One of the leading contenders for the NGIC title, the Owls showed plenty of power scoring in every period and holding the Grangers to a lone tally in the final quarter.

West Fulton scored first in the opening period on a 52-yard run by Hitchcock after Jack Gilman had brought the ball from the Owl 6 to the 48. Then in the second quarter Hitchcock climaxed a 81-yard drive with a buck through the middle from the one.

In the third, Tradeway intercepted a Granger pass on his own 35 and Hitchcock, Smith and Crawford led the West Fulton march with Hitchcock going from the 11. The Owls tallied again in the third after Monroe intercepted another pass on the 3. Jordan sparked a 61-yard drive and Gilman smashed over from the 13 for the score. Hitchcock scored the final touchdown on a four-yard line plunge.

Lafoon, White Tied on Links

MONTGOMERY, Ala., Oct. 11 (AP)—Professionals Ky Lafoon of Orlando, Fla., and O'Neal (Buck) White, Greenwood, Miss., were tied for the lead at the halfway point in the $10,000 Montgomery Open Golf Tournament today with 13-under-par cards of 131.

Laffoon added a 68 to his first round score of 63, and White made the second 18 holes in 66, one more than his opening card of yesterday.

Tied for second with 132's were three pros—Ed Furgol of Pontiac, Mich., Dale Morey, Springfield, Ill., and Herman Keiser, Akron, Ohio.

A. W. Jackson, of Atlanta, led the Georgia delegation with a one over par 145. Close behind were Charlie Kane, Griffin; Leo Walper, Thomasville, and E. W. Reed, Atlanta, with 146s. Other scores carded by Georgians were Frank Campbell, West Point, 150; Ed H. Singletary, Pelham, 151; Jack Murphy, LaGrange, 152, and Johnny Campbell, West Point, 155.

Favorites Lose In Golf Tourney

All favorites bowed out of the annual AWGA handicap golf tournament as play reached the semifinals yesterday at the Druid Hills Golf Club.

Mrs. W. D. Tumlin, the defending champion, was ousted by Mrs. Ralph Apple, 3-2, in one of the best matches of the day.

Mrs. Morton Bright, the present city champion, dropped a 4-2 decision to Mrs. G. E. Montague and Mrs. C. D. Fields, another favorite, was beaten 6-5 by Mrs. W. S. Smith. Mrs. R. T. Hulsey downed Mrs. C. C. Sloan in the other match.

Play in the championship consolation flight reached the final round with Mrs. Stanton slated to meet Mrs. L. H. Kelley. Mrs. Stanton defeated Mrs. Albert Donnaud, 3-2 yesterday and Mrs. Kelley tripped Mrs. T. A. Branch by the same score.

Semifinals will be played Monday and the championship match Tuesday.

Dobson Stops Cards, 6 to 3, on Four Hits

FENWAY PARK, BOSTON, Oct. 11—(AP)—Joe Dobson, a doubtful starter up to an hour before game time, turned back the St. Louis Cardinals with four hits today for a 6-3 victory that gave the Boston Red Sox a 3-2 game edge in the forty-third World Series with the hitting help of Don Gutteridge and Leon Culberson, two last-minute Sox replacements.

Gutteridge, called into action when Second Baseman Bobby Doerr was unable to play because of a severe migraine attack, drove in the tie-breaking run in the second inning.

Culberson, who got his first Series starting chance when Manager Eddie Dyer started Howie Pollet, a left-handed pitcher, hammered a home run in the sixth inning that helped cement the American League advantage.

Dobson had the Cards completely smothered from the second inning to the ninth, when they cut loose with a dying-gasp rally that produced two runs but fell three short of tying the score. The husky 29-year-old right-hander walked only one man and struck out eight in a masterful pitching job.

The Sox fell on Pollet like a long-lost cousin, driving the left-hander from the premises with three hits in the first frame to open up a 1-0 lead. Gutteridge had singled to right on Pollet's first pitch and Johnny Pesky followed with a single to the same spot.

Although Dom DiMaggio forced Gutteridge at third on an attempted sacrifice, Ted Williams came through with a single to right, scoring Pesky and driving Pollet from the hill.

Dyer called in Al Brazle, another southpaw, who finally got out of the inning without further damage.

The Cardinals, who had hammered six Sox hurlers for 20 hits yesterday in squaring the series, got after Dobson for the tying run in the second when Joe Garagiola had a life on Pesky's two-base error of his grounder. Harry Walker drove him home with a double to left.

Back came the Sox, determined to avenge the fourth-game rout, to take a 2-1 lead when Roy Partee, who had singled and been sacrificed to second, came home on Gutteridge's single to center.

Culberson's homer into the screen atop the left field barrier eased the way for Dobson, giving him a two-run lead in the sixth, and the American League champs put over the clincher in the seventh with a three-run outburst.

Dom DiMaggio's double opened the big frame. After Williams struck out, Rudy York was passed intentionally, setting the stage for Pinky Higgins' double that scored DiMaggio. Dyer ordered Brazle to pass Culberson, loading the bases, but when Marion threw wildly into right field, trying for a force play at second, both York and Higgins scored.

St. Louis kept battling to the last, giving Dobson some anxious moments in the ninth. Musial led off with the only walk Dobson gave all day. After Erv Dusak fanned, Whitey Kurowski had a life on Pesky's second error of the game, a fumbled grounder.

Garagiola was put down on a roller to York, but Walker, who drove in all three Card runs, singled to right, knocking home both Musial and Kurowski.

Aerial Duel Seen as Tigers Play St. Louis

By TOM MILLER
Constitution Sports Writer

BIRMINGHAM, Ala., Oct. 11—The Auburn Tigers and the St. Louis University Billikens come together here tomorrow in their first gridiron meeting with Auburn ruling a slight favorite over the Missouri eleven. Kickoff is scheduled for 2:30 p. m. (CST).

A "fair and cooler" weather forecast met with approval of both teams, and a wide-open aerial duel shaped up behind the Tigers' freshman star, Travis Tidwell, and Jack Rooney, passing quarterback of St. Louis.

Tidwell, currently leading the nation on total offense, will be making his first collegiate appearance before a hometown crowd, although in playing on Legion Field, he will be playing on his high school field. He has completed 17 of 27 passes in Auburn's two victories over Mississippi Southern and Furman.

St. Louis has won one game against two losses, losing a close 19-14 strugle last week with Missouri, which the week before tied Ohio State.

BOSTON, Oct. 11 — (AP) — Before the Sox took off on a special plane for St. Louis, Manager Joe Cronin said he would pitch Dave "Boo" Ferriss, crack righthander who throttled the Cards here two days back, in the sixth game. Dyer had Harry (The Cat) Brecheen, four-hit victor of the second game, ready to throw at the American Leaguers.

Boys High Clashes With Favored Jesuit Today

By CHARLIE ROBERTS

NEW ORLEANS, Oct. 11—Boys High's Purple Hurricane and the Jesuit Blue Jays, who make habits of winning the Georgia and Louisiana State football championships, respectively, will battle one another for the first time in City Park Stadium before an expected 15,000 fans here Saturday.

The two elevens have something in common, the fact that each was beaten only once last year, and by the same team, New Orleans Holy Cross.

Coach G. Gernon Brown's favored homelings will go into tomorrow night's engagement unbeaten, having taken the measure of Pensacola High, 24-6; Baton Rouge, 41-14, and St. Aloysius, of New Orleans, 13-0.

Coach Shorty Doyal's invaders dropped another one to Holy Cross this year, 26-12, in Atlanta, but have thrashed Commercial, 55-0; Gadsden, 14-7; Columbus, 27-6, and Benedictine, 34-0, in other games to date.

The Blue Jays, who have won four State and five City crowns since 1933, will have 10 seniors in their starting lineup, and the only junior, John Petitbon, is regarded as one of the finest halfbacks ever to come out of Louisiana. Five members of the team played on Jesuit's World Championship Junior American Legion baseball nine this year. Coach Brown is considered one of the most brilliant mentors in the South as, of course, is Shorty Doyal.

The Purples will be playing without the services of Veteran Quarterback Herbie Weaver and Tackle Leon Butts who were left behind because of scholastic difficulties. Weaver is the team's able field general, best passer and best placement kicker in Georgia. The loss of no other player would hurt the Purples quite so much.

The Boys High squad is stopping at the St. Charles Hotel and will return to Atlanta early Monday morning.

The Constitution welcomes letters from its readers. They must be signed, should not exceed 200 words.

Free Speech?

Editor Constitution: Our Constitution guarantees every citizen the right of freedom of speech and the freedom of the press, and have boasted of that right for all these years, and have so held by the courts a number of times. At the present time it doesn't seem to exist any more. This was thoroughly demonstrated in the case of Henry A. Wallace, who, for expressing his views, which was his constitutional right to do so, was gagged, hogtied and kicked out of the Cabinet, all because his views were different from some others. The friction of two or more brilliant minds scintillates "Truth."

I am no fool about Mr. Wallace, have differed with him many times, but I would die in defense of his right to express his views, or the right of the freedom of speech.

Often we fail to put on the precious things of life their proper price. Freedom is one of these. But freedom is not a treasure which, once possessed, cannot be lost; and it will be lost to us and our children unless it is cherished, defended and preserved as it was fought for and won. The history of our United States is the story of the ceaseless struggle to keep alive this freedom and our ideas and ideals of liberty and democracy, and to defend them from enemies within and without her borders.

On nearly every foreign field of battle our boys fought, suffered, and died to save for America her constitutional rights, and we, through our soldiers' sacrifices, were spared from the enslavement sought to deprive us of. We must now defend her from this same peril threatening us from within her boundaries. Our martyrs, living and dead, fought each day's fight, feeding their bodies, hearts and minds with one thought, to come back to America, because it was their home, and the land of the free and the home of the brave.

4-Time Governors

Editor Constitution: The State Democratic Convention adopted a platform. In that platform it said: "Mr. Talmadge's election to a fourth term is indeed significant when it is recalled that never before in the long history of this great state has a Georgian ever been honored by being selected as Governor four times. This convention proclaims this fact to the rest of this nation."

For your information, Joseph E. Brown was elected Governor of Georgia in 1857, 1859, 1861 and 1863.

It just occurred to me that the gentlemen might wish to correct this statement in the interest of keeping history straight.

Am sending this letter to the newspapers because I have seen this erroneous statement several times lately and they also might wish to make a correction.

Mitchell's Record

Editor Constitution: In a recent issue there was a scorching letter by Frederick Block, of Athens, in which he took Mr. Eugene D. Mitchell to task on immigration and in a back-handed manner asked if he had a war record. In fairness to Mr. Mitchell will you please publish my letter?

Mr. Mitchell left the States in 1942, an officer in the now immortal Second Marines, and saw action on Tulagi, Guadalcanal, Tarawa, Saipan, Tinian and Okanawa. Wounded in the Marianas he did not return to the States until after the battle of Okinawa, a little over three years foreign service. Due to the condition in which the war left him he is forced into semi-retirement while in his early thirties.

I doubt if Mr. Block and his quartermaster friends can boast of such a record; however, I hope he gets an education at Government expense, and stops sticking his neck out.

This Summer it was my privilege to visit in Mr. Mitchell's home out from Dahlonega. The walls of two rooms were lined with books from everything from Pope Gregory's Dialogi de Vita in Latin and Procopius Ancedota in Greek to Tom Powers Sheba on Trampled Grass. On his work desk lay the latest editions of The Constitution, New York Sun and The Philadelphia Bulletin. Mr. Mitchell holds a prewar masters degree from the University of Cincinnati. I do not believe he is anti-anything, but he is definitely pro-American.

False Economy

Editor Constitution: John Ruskin once said, "There is hardly anything that some man cannot make a little cheaper and to buy it on price alone you are his only lawful prey."

City Patrolmen George Wallace and J. C. Elrod narrowly escaped death last week while trying to apprehend a stolen car in a rapid chase down the Macon Highway. The retreads on their car, which the Purchasing Department had saved a dollar on a few weeks prior, caused the accident. A 1946 patrol car was demolished.

A strip of rubber from the rotten retread is now being displayed on the City Police Department bulletin board as a grim reminder of the faulty equipment the City of Atlanta is using.

During the war the airplanes in our Naval Department flew 34 percent of the time on new tires and 66 percent of the time on recapped tires. Not one accident was recorded during the war at Gordon Field in Atlanta due to a faulty recap. These planes would take off and land at speeds as high as 135 miles per hour. The reason the Navy did not have any crack-ups (due to faulty recaps) is that they insisted on quality and safety and not price.

Patrolmen Wallace's and Elrod's accident proves again the false economy our City, County and State practice in buying from the lowest bidder in point of dollars and cents, the net result in this case being:

1. Two patrolmen seriously injured and nearly lost their lives.

2. A 1946 model police car completely demolished at a cost of $1,400 to the taxpayer.

Is this economy or false economy in the purchasing departments of our governmental agencies? As long as they continue to write purchase orders based on the lowest dollar-and-cent bid, the delivery of faulty equipment is inevitable.

Tech, Ole Miss Meet Today at 2:30

Constitution Staff Photo—Pete Roton

BATTLIN' BOWENS—Operating in the same arena but on different sides today will be the Bowen brothers, of Greenville, Miss. Buddy, left, and kid brother, Dinky, are fullbacks with Ole Miss and Georgia Tech, respectively, in the Southeastern Conference clash at Grant Field this afternoon. A strictly non-partisan family will be in the stands to watch the brother act.

Jackets Favored; Stars Out

By TOM MILLER

With both teams keenly feeling injury and sickness losses, more than 25,000 spectators are expected to be on hand at Grant Field today to witness the first football game in history between the Ramblin' Wreck of Georgia Tech and the Rebels of Ole Miss.

Kickoff is scheduled for 2:30 p. m.

Given a break on the weather, Tech officials predicted a crowd bordering on 28,000. The break might be forthcoming with weather forecasters promising a fair but cool day, with showers expected to cease before game time.

STARTERS MISSING

Tech, missing three regular starters and pinning its hopes on a day that will permit its overhead attack to function, has been ruled a strong favorite despite a Mississippi line described as the strongest in the Conference.

Ole Miss, holding a victory over Florida and losses to Kentucky and Vanderbilt, will field a line averaging more than 204 pounds.

The Rebels, however, will be far from top strength. Veteran Quarterback Pep Bennett, suffering a cold verging on pneumonia, did not even accompany the team here. His place will be taken by Bobby Oswalt, 21-year-old freshman who has shared the post this season.

Sidelight of the game will be the family duel between Tech Fullback Dinky Bowen and his brother, Buddy, Rebel fullback. Their family and a delegation of hometowners from Greenville, Miss., are attending the game. Their father, John Bowen, who watched both teams take light workouts in Grant Field yesterday, would only give the mum sign and say he was "keeping my mouth shut" on whom he would be pulling for.

HUGE REBEL LINE

Outside of the huge Rebel line, anchored at the ends by Ray Poole, of the Mississippi football playing Pooles, and H. A. Smith, Jr., two of the finest ends in the South, Charlie Conerly at left half is expected to give Tech the most trouble.

Conerly, who has hit 10 out of 22 passes, mostly to Ray Poole, averaged 49 yards a punt against the Commodores last week. His season's average is more than 43 yards.

Admitting that his Jackets' passattack so far has been "a big disappointment to me," Coach Bobby Dodd probably will be forced to start Bob (Rabbit) Jordan and George Broadnax at the end posts. Of his two end starters, Walt Kilzer has just been released from the hospital, and Bill Busbin is hobbling on an injured ankle. Neither is likely to see much action.

At left halfback, George Mathews' bad ankle will permit him to play but little, Jimmy Petit taking over. On the bright side, Frank Broyles is about ready to go full steam after his early season injury.

Dodd, well pleased by Pat McHugh's great running against VMI, is counting on the veteran halfback to carry the load for Tech's running attack. But passing will remain the No. 1 weapon.

Frank Ziegler, the highly promising freshman fullback who Dodd plans to move to halfback next week, has beaten his injuries and is expected to be in the thick of the struggle.

SMU Beats Oklahoma Aggies, 15-6

DALLAS, Texas, Oct. 11—(AP)—Slender Frank Payne, 18-year-old freshman, passed and slashed Southern Methodist to a 15-6 victory over the shell of once mighty Oklahoma A. & M. tonight in a game that found the Texans superior all the way.

Payne, who started on the Methodist 'B' squad, got in two minutes against Temple and saw last week's loss to Texas Tech from the bench, went into the Mustang line-up at the start of the second half and proceeded to complete 12 passes out of 14 for 123 yards in addition to hammering the Aggie line for both of the SMU touchdowns.

Decatur Routs Bulldogs, 31-6

By RUSSELL MUSGRAVE

Decatur High Bulldogs, defending NGIC champions, turned a close first-half 7-6 grid tilt with North Fulton into a second-half massacre, swamping North Fulton, 31-6, last night before an overflow crowd of some 4,000 fans at Dukes Stadium.

The overwhelming victory was marred by a possible serious injury to North Fulton's star tailback, Buddy Cogburn,

After a scoreless first quarter, Moose Miller broke through center for a 26-yard touchdown gallop to highlight a 65-yard sustained drive in the second quarter to put Decatur in a 6-0 lead. Jo Jo Weingartner plunged for the extra point. North Fulton roared back with a 71-yard drive from their own 29-yard marker, with Quarterback Leonard Gordon plunging over from the one-foot line. Hanley's attempted place-kick was fumbled.

Decatur completely dominated the second half play with Miller ramming over center from the five-yard line to complete a 57-yard drive. A few plays later, "Moose" ran a North Fulton punt back for what looked like an 85-yard touchdown run, but a clipping penalty nullified the play. On the next play, Decatur's stellar fullback, Don Rogers, caught Quarterback Aubern Lambeth's 35-yard pass and outdistanced the field for another 33 yards to pay dirt. Rogers dashed through his own left tackle a few plays later for a spectacular 35-yard touchdown run. A few moments later, Jo Jo Weingartner plunged over the goal line from the seven-yard line to climax an 83-yard drive.

Fulton Triumphs Over Canton, 13-6

CANTON, Oct. 11—Fulton High's Redbirds downed Whitey Kendall's Canton Greenies here tonight, 13-6, with Bobby Ward sparking the Redbird attack.

Fulton scored first in the second quarter on a five-yard plunge by Ward and then again in the third when Ward went off tackle for 10. Canton's only touchdown came in the closing minutes of the first half when Cox went over from the 10. The Greenie score was set up when a kickoff hit a Fulton player on the Redbird 10. The Greenies recovered and scored on the next play.

Male High Holds Tech To Scoreless Deadlock

By BERT PRATHER.

Tech High's Fighting Smithies, winners of four straight ball games and hailed as the top power in Georgia football circles, were held to a surprising 0-0 tie by a battling gang of Louisville Male High gridders last night at Ponce de Leon Park.

The visitors, who had lost an early season game to Chattanooga Central by a lopsided score, were not expected to prove too troublesome for the Smithies. In fact, they didn't give them any trouble offensively, failing to register a single first down. But, on the defense, the Purple Bulldogs were tar buckets.

Every time Tech High apparently had a drive underway, the rugged Male High line jumped up and knocked the Smithies back.

Tech High tallied nine first downs and had the best of the battle in every department except the score.

Bobby North, hard-running Smithie left halfback, and his old sidekick, Fullback Pierce McWhorter, were the main cogs in their team's attack. Bobby go off several nice gains, while McWhorter did a bit of running and was on the throwng end of most of the Tech High passes.

The entire Smithie forward wall played great ball. Male's attack could not dent these line stalwarts and most of the time they ended up by being tossed for no gains or losses.

The end and tackle play of Male High was almost perfect. The remainder of the forwards played well, but Ends Hubbard, Hager and Crowe, and Tackles Greenfield and Kelley were constantly piling up the Smithie interference and nailing the ball carrier before he could get underway.

Left Halfback Bill Gianinni and Sherman Robinson, the fullback, did most of the ball toting for the visitors.

Russell Downs Rams, 18 to 0

By HENRY DAILEY

The Russell Wildcats beat a stubborn College Park eleven, 18 to 0, on the slippery East Point gridiron last night.

The game was much closer than the score indicates—each team got nine first downs—and the Wildcats had to capitalize on three breaks to earn their victory.

After both teams slipped and stumbled through the scoreless first period, Guard Charles Haynes recovered a fumble on the Ram 47 to open the second quarter. Ralph Stamps, Warren Moody and Paul Kelly then alternated in driving to the College Park one-foot line, where W. Moody took the ball over on fourth down. Russell hald a 6-0 lead at halftime.

Stamps returned Newsome's punt to the Ram 43 on the last play of the third quarter, and Kelly opened the fourth with an 8-yard smash through the line. Then Stamps broke through right tackle and outran the College Park backs 35 yards to a touchdown.

The Rams' desperate pass attack in the closing minutes backfired when Warren Moody grabbed one of Freddie Newsome's heaves at the Wildcat 34 and returned it 66 yards to Rusell's final score.

Captain Dan Howell, Freddie Newsome, Roger Weldon and Bill Cody starred for the losers, while Harry Bailey and Jerry Cato stood out on defense for Russell.

South Carolina Rallies To Beat Furman, 14-7

GREENVILLE, S. C. Oct. 11—(AP)—South Carolina's Gamecocks converted a 10-yard kickoff into a set-up for a touchdown and defeated the Furman University Hurricane, 14 to 7, tonight before a capacity crowd of 14,000.

Kicking off to start the second half, Dick Frantz, of the Gamecocks, sliced a 10-yard boot to the left of the Furman forward receivers and a flock of Birds covered it on the Furman 38. Bo Hagan and Earl Dunham drove the ball to the Furman five and Dunham went off his own right guard for the touchdown.

The tally broke a 7-all tie and Jake Lane converted to end the night's scoring.

Furman drew first blood when Wilburn (Skeeter) Coyle broke over his own left guard on the fourth play of the game, cut back to the middle and outran the entire Carolina team for 0 yards to the goal. J. B. Owens added the extra point.

The Gamecocks took the Furman kickoff and drove straight down the field 70 yards for their first six-pointer. Dunham, who shared the offensive load with Hagan, went over standing up and Lane converted to tie the score.

The Gamecocks successfully bottled up the Furman passers, intercepting four of their 12 heaves.

Rice Favored Over Tulane

NEW ORLEANS, Oct. 11—(AP)—The Rice Owls, experienced and versatile, are highly favored to win tomorrow in their twelfth football game with Tulane's Green Wave.

The Tulane assistant coaches who have scouted Rice tell of a powerful line, led by big Weldon Humble, and an able offense built around the running of George Walmsley and the passing of Virgil Eikenberg.

Eikelberg, however, couldn't pass against such a defense as Tulane presented to the All-American tosses of Alabama's Harry Gilmer, and Walmsley couldn't run through the wall Tulane usually presented against Alabama's ground power. Nor would the linemen, who refused to be awed by All-American Vaughn Mancha, tremble at the approach of Humble.

But if the Wave has been a billow in its highest moments, it has been a ripple in its lowest.

A crowd of 35,000 is expected for the game, beginning at 2:15 p. m.

Babe, Hicks In Golf Final

FORT WORTH, Oct. 11—(AP)—Mrs. George (Babe) Zaharias, of Denver, and Elizabeth Hicks, of Long Beach, Cal., will meet here tomorrow in the finals of the Texas Women's Open Golf Tournament. They will play 36 holes.

The two played here for the crown in 1940 with Mrs. Zaharias winning, one up.

The Denver Babe had her closest call of the tournament today in a hot semi-final match against San Antonio's Betty Jameson, Mrs. Zaharias winning, 2-1, after holding a one-up advantage at the turn.

Miss Hicks trimmed another Californian in advancing to the finals, edging Dorothy Kielty, of Las Angeles, 2 and 1.

Gordon Defeats GMA, 19 to 0

By BOB BOWEN

The Gordon Military College football team mixed deception and power last night at College Park to defeat GMA, 19 to 0. The Barnesville cadets, led by 175-pound Quarterback Jack Blankenship, scored one touchdown in the second quarter and two in the third.

The first Gordon touchdown was scored by Blankenship on a tricky reverse from GMA's 18, after he had run 32 yards to be stopped by a from-out-of-nowhere tackle by Joe Lindsay. Meeks scored the next Gordon tally on a quarterback sneak from the 18. The play was set up to the 18 on a pass from Hugh Smith to Meeks.

Immediately following Gordon's kickoff, GMA tried to advance via the pass route but James Dawkins intercepted Buddy Bateman's pass to give Gordon the ball deep in GMA's territory. A series of quarterback sneaks carried the ball to the 6. A reverse from Meeks to Lowery scored the touchdown. Palmer Pierce's try for successful dropkick was good. The fourth quarter was played on about even terms.

The night's leading ground gainer, was Blankenship with 76 yards in nine tries.

The game, including timeouts and penalties, was played in an hour and forty minutes.

TECH STUDENT TICKET TANGLE HITS NEW SNAG

The Georgia Tech ticket tangle, which violently enmeshed the Athletic Association and students in its web this Summer, has developed a new snarl.

The compromise solution reached on assignment of football tickets called for preferential seating for seniors. When distribution of the ducats began, however, student identification cards had not been prepared so allotment was made on the basis of schedule cards.

One day recently, Coach Alexander dropped into the Registrar's office.

"Say, just how many seniors have we got in this place?" he inquired. Informed there were 300, he scratched his head for a moment, then remarked:

"Well, I've already handed out 750 tickets."

Stock Sales

NEW YORK, Oct. 11—(AP)—Strong rallying tendencies persisted in today's stock market although the vigorous psh of Thursday was lacking

Selected steels, rails and industrials generally were in front from the start. Packing company issues swung higher after midday While extreme advances were shaded here and there, gains of fractions to around four points predominated at the close. Dealings tapered after a fairly active opening and transfers of 1,470,000 shares compared with 2,220,000 the day before.

Hopes for the quick decontrol of meat and other consumer staples, brokers said, inspired much of the day's buying. Considerable bidding also was attributed to the belief the technical correction of the lengthy slide could go much farther even if the bear move is eventually resumed. Some quick profit cashing was noted and accounts were adjusted here and there in preparation for tomorrow's holiday when the nation's principal securities and commodity exchanges will recess for Columbus Day.

Railroad obligations split into two divergent groups in the Bond Market today, with lower priced issues advancing briskly and high priced loans tending downward. Favored carriers moved up an extreme of more than three points. Changes elsewhere were mainly fractional.

Higher in the curb were American Cyanamid, Atlas Plywood, Cities Service, Cuban Atlantic Sugar, electric Bond & Share, Middle West Corp. and American Gas. Turnover here was 380,000 shares versus 620,000 yesterday.

WINDSORS LAND

Duke Brings 'Woman I Love' Home

DOVER, Eng., Oct. 11—(UP)—The Duke of Windsor brought the woman he loved home to England Friday, her first visit since he gave up a throne for her 10 years ago.

The Duke and Duchess—Baltimore's Wallis Warfield—stepped ashore hand in hand, from the little cross channel steamer, Canterbury, which brought them from France.

Their first act was almost one of defiance to the Royal Family, the in-laws who had kept the Duchess from these shores so long. They posed, smiling and obliging, for more than a score of photographers.

Earlier it had been announced the press would be barred from witnessing their arrival—apparently in deference to the wishes of the Royal Family that the former Monarch's trip receive as little publicity as possible. That went by the board, however, when the Windsors landed.

"I'm sorry you've had such a long wait," the Duchess told photographers, referring to the fact that the Windsors were the last passengers to leave the Calais to Dover boat.

Leebern Case Acquittal Given

Constitution State News Service.

PHENIX CITY, Ala., Oct. 11—After four hours and 15 minutes of deliberation, a Russell County jury Friday acquitted Hoyt Shepherd of the murder of Fayette D. "Fate" Leebern.

The verdict of "not guilty" came at the close of four days of testimony and argument in the dramatic case. Leebern, a Columbus liquor dealer and political figure, was shot to death in a "dice room" of a Phenix City night club Sept. 16.

Grady Shepherd, indicted for first-degree murder in the same case, is scheduled to be tried in the November term, the Sheriff's office said.

U. S. Plane Hits BrazilianPeak; 5 Are Killed

RIO DE JANEIRO, Brazil, Oct. 11—(AP)—Five persons—two men and three women—were killed Friday when a United States military plane crashed into a mountain peak in the suburbs of the capital and exploded, the U. S. Embassy announced.

The Embassy said the dead were:

Capt. Warren E. Jenks, Assistant U. S. Military Attache.

Tech. Sgt. Richard A. Myers, a crew member.

Miss Cornelia Gail Kennedy, civilian employe of the U. S. War Department.

Miss Lucille McConnell, also a War Department employe.

Miss Phyllis Low, a Brazilian employed by the U. S. War Department here.

The announcement said the plane took off in rainy weather on an authorized flight from Rio de Janeiro to Bello Horisonte, 200 miles northwest of the capital, when the plane struck the peak in the Alto Boa Vista section of the suburbs.

An investigation was under way to ascertain the cause, the office of the U. S. Military attache announced.

Earlier reports said six persons were aboard, and it was not clear whether one person had survived the crash.

First reports had identified the plane as a U. S. military transport, carrying American nurses, and said that eight had been killed, but this was superseded by the later information.

Crippled Plane Limps Toward West Coast

HAMILTON FIELD, Cal., Oct. 11—(UP)—A twin-engined private plane, inbound from Honolulu to the United States carrying four passengers and probable crew of four, limped toward San Francisco Friday night after it flashed a distress signal 600 miles out of San Francisco.

MEAT

Continued From First Page

Counsel Clark Clifford, Economic Stabilizer John R. Steelman and Press Secretary Charles Ross, conferred periodically during the day. Mr. Truman is not expected to go on the air until Monday at the earliest. He decided to forego his usual weekend relaxation—a cruise down the Potomac aboard the presidential yacht, Williamsburg—to devote his full time to his decision and the way he will explain it to the electorate.

U. S. AGENCIES AID

Government agencies and departments were co-operating by cutting down their own meat requirements. The Army is trying to borrow 20,000,000 pounds from Britain and the Maritime Commission announced that after Oct. 19 it no longer will require, under priority, meat and other scarce foods for its vessels, except troop ships. A Commission spokesman acknowledged, however, that not much meat would be saved for the public by the new policy.

Democratic National Chairman Robert E. Hannegan, reportedly one of the main Cabinet advocates for immediate decontrol, spent an hour with the President late Friday but would not discuss meat with reporters when he left the White House.

Hannegan said they talked about "politics and the campaign in general," leaving no doubt that meat and the attitude of the voters toward the shortage were uppermost in their discussion.

The administration's woes were added to by the threat of widespread strikes in the event that Truman decides to lure meat off the ranges by removing price ceilings.

CIO URGES SEIZURE

A delegation from the CIO United Packing House Workers Union called at the Labor Department to urge Government seizure and distribution of the nation's livestock and meat supplies.

The union delegation said labor unrest is spreading in the heavy industries where workers need—but can't get — meat, and they urged federal remedial action. But they warned that "every labor contract in the country will be opened for wage increases" if the Government tries to solve the problem by decontrol.

The same union has accused the big packers of hoarding 50,000,000 pounds of meat on the hoof and has asked the Justice Department to investigate. Atty. Gen. Tom C. Clark said that and similar complaints are being considered, but that the FBI is not investigating the meat shortage because enforcement of OPA regulations is not its responsibility.

There appeared little likelihood that the Administration would undertake any sten as drastic as seizure of cattle. Cabinet officers who sat in on Friday morning's meeting admitted they placed little reliance on imports of meat from Argentina, Canada and Mexico to relieve the shortage.

Red Fortress In China Falls To Chiang

NANKING, China, Oct. 11—(UP)—The Government News Agency reported Friday that Gen. Chiang Kai-shek's Nationalist troops, climaxing a lightning sweep up the Peiping Railway, have captured Kalgan, Communist stronghold in North China, and capital of Chahar Province.

Other reports said bloody fighting was in progress in the suburbs of the city as Nationalist troops drove in from positions last reported to be four miles to the south and eight miles to the north.

The official Central News Agency said it was reliably learned from Kweisui that the Nationalist Army took Kalgan Friday afternoon. Kweisui is capital of Suiyuan Province, in Inner Mongolia, some 160 miles to the west. The present Nationalist offensive was launched less than two weeks ago.

The newspaper Hsin Min Pao, quoting a military source, said the troops, commanded by Gen. Fu Tso-yi, had cracked the center of the Communist defense line and hooked eight columns around the city.

Hsin Min Pao also reported that Lt. Gen. Tu Li-ming's troops had completely cleared Communist units from the 140-mile stretch of railway running from Mukden, in Southern Manchuria, northeast to Hailung, easing the communication problem.
